## ARRANGING BELL MUSIC!

TYLER BEHNY

Many of you recognize Tyler, our youngest and most outgoing member of Bells of the Bluffs, but did you know that Tyler has arranged and written several pieces for handbells? This is a dream of his and we are happy to be able to play his arrangements and compositions! Come hear one of his arrangements at our concerts in May!

Michelle and Robyn have also written some musical arrangements for handbells in the past. It's fun to have members who like to take on a challenge like this!

## So what about those summer months?

It's almost that time of year again. So what do members of the Bells of the Bluffs do during the summer months? Mostly rest and take time to enjoy the great weather, family, and friends. Occasionally some of us will play solos or in smaller ensembles during the summer months. At times we get together in smaller groups to play certain events. We call these smaller groups BoBlite!

If you have an event that you would like to hear one of our smaller ensembles play at this summer, be sure to contact us at [www.bellssofthebluffs.org](http://www.bellssofthebluffs.org).

## A BIG thank you...

Bells of the Bluffs is always looking for dedicated fans to take care of all of the details that go along with holding events and fulfilling our mission – to Ignite Passion for Handbells! But did you know that we also are frequently in need of other types of musicians for our concerts? Perhaps this is an area that you would like to help us out with.

This spring we will be performing with the help of Aiden Endres on percussion, George Snyder on bass guitar, Todd Wedekind on trumpet, and Brittany Behny on Flute. We are so grateful for these talented musicians! They typically practice with us a Thursday or two before they join us for our concert(s).

If you would like to help out with concerts, whether you are a musician or have some other role to fill, please contact us at [bellssofthebluff@gmail.com](mailto:bellssofthebluff@gmail.com)
